

## Investing in the Future!

Maveli AD is a Bulgarian investment company established in 2006. The company invests in purchasing and selling real estate and property assets. Maveli AD deals with acquisition, planning, construction and sale of residential buildings and closed-type complexes, trade centres, hotels and business buildings.

The company owns stocks and shares from the capital of companies such as:

HIDROSTROY AD

VODSTROY AD

PATSTROY BURGAS EOOD

Maveli AD manages investments in acquisition, planning, building, facility, sale, renting assets, as well as managing and maintenance of realized and acquired projects.

Business dynamics and heavy competition create demanding environment – both among investors and end customers. Accordingly, the focus of investment of Maveli AD is targeted towards service and quality improvement of realized projects. Each project reflects the company policy for environmental protection, child care and improving quality of life.
